MR. CARLTON L. OSGOOD
"Respect is what we owe; love what
we give." P. J. Bailey

DEDICATION

Because of his faithful help in everything we have undertaken from our eighth grade dance to our graduation,

Because of his kind understanding and sincerity in aiding us with our problems,

Because of his interest in us and our work,

Because of his ability to arouse our enthusiasm for our studies,

Because of his ever-encouraging attitude and good sportsmanship,

And because of our love and respect for him, we, the Class of 1958, dedicate this yearbook to our wonderful friend and advisor Carlton L. Osgood.

Inspite of the predictions of some of the sports writers, Goshen High's football team, under the direction of Coach John Young, experienced a commendable season.

On September 21 they got off to a roaring start by mauling Monroe-Woodbury, 25-0, for their 17th straight victory.

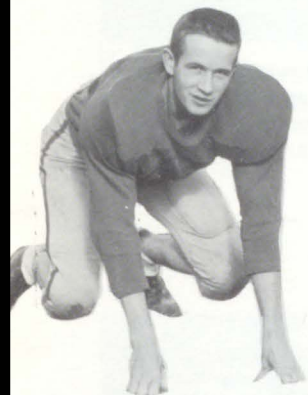

The following Saturday the team, sparked by Wade and Jablonski, continued its winning streak by defeating Highland Falls 20-7.

ABOUT THE TEAM

Although Goshen's Soccer season was not a success from the standpoint of victories, it did have its high spots. Victories came when the team beat Chester 6-2 and Montgomery 4-3. Captain Bruce Barron was voted the best all around player by the team and he made the Middletown Times Herald's all county first team; Danny Miller made the all county second team. Adolph Bien did very well during the season and has been voted next year's captain. Captain Bruce Barron, Danny Miller, Joe Skladanek, Gary Roskam, Stan Kozareski, Bernie Matalucci, and Eddie Geer are seniors this year and will be leaving.

Nineteen fifty-seven-fifty-eight was a hard year for the basketball teams. There were many well played games that would have been "in the bag" if old Mr. Time had not run out. It is hoped that the experience gained this year and the impetus of winning the last game will carry G. C. S. basketball teams to victory in 1958-1959.

Hey! That's mine!

FAREWELL

'Tis education forms the common mind;
Just as the twig is bent, the tree's inclined.
Alexander Pope

For us the great journey into formal education started twelve years ago. It is a journey that will not end until we reach our destination. Our four years in high school were just a step along the way, but a very important one. We have learned to mature socially as well as scholastically. We have become conscious of authority and because of the influence of our teachers, are able to shoulder responsibility. We now realize that we receive from the world only in proportion as we give to it. At Goshen Central School, the seeds of education have been planted; it is our privilege to nurture and care for them so that the harvest will be indeed fruitful.
